“How to Avoid Media Harm & Use Media for Good in the Classroom”

Rebecca Densley, M.A., PhD Candidate
College of Media and Communication
Texas Tech University

This presentation will include a review of what research tells us about the negative and positive outcomes of children's media use. Strategies for using media in the classroom to help children develop important skills will be discussed and practiced.

REGISTRATION due April 20th
\$20 each or 6 for \$100

For questions, call Stephanie Deering @ 806-716-4645 or Shawna Garrett @ 806-441-8180
