

Texas Association for the
Education of Young Children

TXAEYC - NAEYC - Membership - TEACH- SECA- HCCT

Chapters are the **HEART** of TXAEYC!

Did you know under the TXAEYC umbrella there are twelve "boots on the ground" chapters meeting the needs of early childhood professionals all over the great state of Texas? Our local chapters host conferences, monthly trainings, networking events, and offer mentoring opportunities.

Involvement with a local chapter is THE BEST way to get the most out of your NAEYC membership. They are the HEART of all we do!

For more information about our chapters or to find one that serves your area please [CLICK HERE](#) or call the state affiliate office at 512-215-8142.

Austin - Central Tx - Ft. Worth - Panhandle - Collin County - Gulf Coast - Paso del Norte - Dallas - San Antonio - Sam Houston - South Plains - Southmost

National Association for the
Education of Young Children

Power to the Profession

Power to the Profession is a national collaboration to define the early childhood profession by establishing a unifying framework for career pathways, knowledge and competencies, qualifications, standards and compensation.

The goals of the initiative are building on guidelines that currently operate across programs, organizations, and states which leads to a comprehensive policy and financing strategy for their systemic adoption and implementation.

Do You Want to Become a Child Care Health Consultant?

A Child Care Health Consultant is a trained professional who offers consultation, training, and technical assistance to child care centers and home-based programs to support and promote the health and safety of children, families, and child care providers.

[Click Here](#) for more Information regarding upcoming trainings.

During this holiday season please keep our Texas Gulf Coast communities in your thoughts and prayers as the struggle to rebuild from Hurricane Harvey continues. According to the Health and Human Services Commission, 52 child care centers are permanently closed while an additional 65 have

suspended operations, thus affecting almost 5,000 children.

Child Care is the foundation for recovery, as parents can not return to rebuild and work without dependable care for their children. For more information on the plight of these centers follow [THIS LINK](#) to a recently published article from Texas Tribune. In this season of giving please consider donating to TXAEYC's Hurricane Harvey fund. Our association is providing monetary aid to affected centers in the hardest hit communities.

The TXAEYC Board of Directors & Staff Wish You and Yours a Happy Holiday Season!

The state office is closed from December 25th - January 1st
